E1000 Receives Weights and Measures Certification

We're pleased to announce that the Neptune E1000 electronic register has received National Conference on Weights and Measures approval for custody transfer of LPG (NCWM certificate number 09-064).

E1000 Features and Benefits:

- Direct retrofit to RL100 dispensers with 600 series adaptor
- Displays volume or flow rate
- Automatic reset with programmable time out between deliveries
- Measures gallons, liters, or barrels
- Intrinsically safe
- NEMA 4x enclosure
- Legible six digit display, configurable up to three decimal places
- Non-resettable totalizer
- Size: 8.85 in. X 6.3 in. X 5.5 in. (225 mm x 160 mm x 140 mm)
- Operating temperature: -13–158°F (-25–70°C)
- Weight: 6.5 Lbs (2.95 Kg)
- No effect on pumping rate
- No change gears needed - calibrated electronically with K factor
- Replaceable 3.6V lithium battery with two year life
